RE: Application of Armstrong Relocation Company, Charleston, LLC for Sale, Transfer,
or Lease of a Class E (Household Goods) Certificate of Public Convenience and
Necessity for Operation of Motor Vehicle Carrier
Docket No. 2021-53-T

Dear Ms. Boyd:

The South Carolina Office of Regulatory Staff ("ORS") does not intend to file direct testimony in the above referenced docket. ORS reviewed the Application and filings made by the Applicant in this docket. Should the Applicant prove to the Public Service Commission of South Carolina ("Commission") that it meets the qualifications for the issuance of a Certificate of Public Convenience and Necessity, ORS will ensure that the Applicant will have complied with all applicable Statutes, Regulations and any conditions of the Commission Order prior to the re-issuance of such Certificate.

The ORS has conducted audits and found that the Applicant's existing company has remained in compliance for the past five (5) years without complaints. Therefore, the ORS believes it's in the public's best interest for this sale to be approved. If sale is approved by this Commission, the Applicant must satisfy providing the ORS with the Form H as our office has already received the required Form E, tariff, and bill of lading reflecting the Applicant's company name.

As in other household goods applications, the applicant has 90 days from the date of the Order to come into compliance prior to issuance of a certificate. ORS does not intend to participate in the hearing in the matter pursuant to § 58-4-50 (10).

Sincerely,

s/ C. Lessie Hammonds
